

ATTENTION BUSINESS OWNERS!

invites you to join us at our next

PUBLIC MEETING

for a presentation and discussion on

Façade Improvement Programs

what

FLURA is currently discussing the potential to implement a façade improvement program. These programs revitalize historic downtowns by providing grants to business owners to make improvements to their building fronts.

But we need input from you, the business owners, to ensure that the program is effective. We hope you can attend this meeting to discuss how a façade improvement program can help you!
